Program for 4-Year-Olds and Entering Kindergartners:
We will teach students to learn beginning reading skills and develop a love of books. Your child will learn letter recognition, phonics, and sight words, and will learn to read simple words and sentences.

Program for Entering 1st Graders:
In this program, we help students read independently. We teach phonics, sight words, improve comprehension, and will help your child develop the skills and confidence needed for success in first grade.

Program for Entering 2nd Graders:
In this program, we help students become fluent independent readers. We teach phonics and word-attack skills, fluency, and comprehension, and will help your child develop confidence and a love of reading.

Program for Entering 3rd Graders:
In this program, we help students become strong independent readers. We teach comprehension, fluency, and long-word decoding skills, and will help your child build confidence and a love of reading.

Program for Entering 4th and 5th Graders:
In this program, we teach students how to improve comprehension, long-word decoding skills, fluency, and reading speed. These skills can help your child complete homework more easily, be more successful in school, and become a strong enthusiastic reader.

Program for Entering 6th-8th Graders:
Our average student doubles reading speed while learning to improve comprehension. We teach students effective ways to read textbooks, take notes, and study for tests. Learning these skills can help students complete homework quickly and easily, get better grades, and enjoy reading more.

Program for Entering 9th-11th Graders:
Our average student doubles reading speed while learning to improve comprehension and study skills. Excellent preparation for the SAT, ACT, and college.

Program for Entering 12th Graders, College Students, and Adults:
Our average student doubles reading speed in difficult material and reads even faster in easier material while learning how to improve comprehension, concentration, and retention. These skills can save time and help you get more out of everything you read.
