VERONA SUMMER ENRICHMENT ACADEMY

Welcome to the first Summer Enrichment Academy at Verona High School! The mission of the Verona Public Schools is to prepare students to be scholars and productive citizens through outstanding teaching and challenging curricula. We are proud and excited to be able to offer three college level courses this summer through Caldwell College and Bergen Community College. These courses will be taught by enthusiastic and talented member of our faculty.

Each course will be offered with four options:

Enrichment Only- Students can take this course for their own enrichment, but it will not appear on a high school transcript nor will they receive college credit. ***You will only have to pay the Basic Registration fee.***

High School Credit- Students may take this course to earn 2.5 credits on their high school transcript. As with all courses, taken outside the school day, you will receive credit for the course, but it will not calculate into your GPA. It also cannot be used to meet a graduation requirement. Students not attending Verona High School should check with their school counselors regarding their school's policy. ***You will only have to pay the Basic Registration fee.***

College Credit- Students wishing to pay the reduced college tuition fee may take this course to earn 3 credits on a transcript issued by the participating college. ***Students wishing to receive college credit must pay the reduced rate college tuition for the designated institution in addition to the basic registration fee.***

Dual Enrollment- Students may receive both 2.5 high school credits and 3 college credits if they wish. Students not attending Verona High School should check with their school counselors regarding their school's policy. ***Students choosing this option must pay for the Basic Registration fee as well as the College Tuition.***

We have high expectations for the Verona Enrichment Academy courses, faculty, and students. Current 10th, 11th, and 12th grade students are invited to attend. In order to satisfy class requirements, students must be present and on time each day. **There will be no classes on Wednesday, July 4th.**

We hope you take advantage of this wonderful opportunity to challenge yourself, explore interests, strengthen your skills and expand your knowledge base.

All forms with accompanying payment must be received by Tuesday, May 15th.
