School Closing Information

There was an issue with the provider of our calling system on the morning of Friday, March 15. We apologize for any inconvenience that may have been caused to the families affected. We have worked with them and remedied the problem.

In addition to the phone calls, when school is closed or delayed, the town horns sound in the morning, the website is updated in order to provide many avenues of getting the information out to the community.

We are in the process of switching to a new provider which should streamline the calling process and deliver the information faster.

We will keep you updated on the new system and any requirements.

Thank you for your support.
