Mr. Howard Freund
Assistant Principal

February 2013

Dear Parents:

Please join the administration, guidance counselors, and some of our fifth grade teachers on Wednesday, February 27th at 7:00 p.m. for our fourth grade parent orientation in the H.B.W. auditorium. Our snow date will be Thursday, February 28th.

At this meeting we will share information about the fourth grade visit to H.B.W., the fifth grade program, and the schedule of classes for incoming fifth graders. Additionally, we will review the input sheet that you will be filling out for us in March.

Ms. Harriette Warshaw will discuss the middle school guidance program. We will also give a presentation taking you through a typical day for fifth graders at H.B.

At the conclusion of the meeting, you are welcome to tour our beautiful facilities!

Please see the enclosed letter from Dr. Nicole Santora, Supervisor of Math and Science. She has important information to share with you about the Common Core Standards and math acceleration.

We look forward to seeing you on the 27th . Welcome to our family!

Very sincerely,

Yvette McNeal
