NJ STARS II

provides funding for successful NJ STARS scholars who transfer to a New Jersey four-year public or private college or university to earn a bachelor's degree.

Eligibility

Successful NJ STARS scholars may receive up to $2,500 annually in NJ STARS II funding to earn a bachelor's degree at a New Jersey four-year public or private college or university that participates in the TAG program.

- Earned an associate degree from the county college as an NJ STARS scholar.
- Graduated with a cumulative GPA of 3.25 or higher.
- Received NJ STARS funding, or was "non-funded" because State and/or Federal grants and scholarships covered tuition during the semester of county college graduation.
- Enrolls full-time in a baccalaureate degree program at one of the colleges or universities listed on the back of this brochure no later than the second semester immediately following county college graduation.
- Enrolls in a full-time course of study (minimum 12 college-level credits) each semester.
- Files a Free Application for Federal Student Aid (FAFSA) and submits all required information within established State deadlines.
- Maintains continuous full-time enrollment, unless on a medical, family emergency or military leave approved by the institution.
- Has a household income of less than $250,000.

Benefits

- The NJ STARS II award will be based on tuition only, except for Tuition Aid Grant recipients who will receive NJ STARS II awards based on tuition **and** approved fees. The amount of the NJ STARS II award will be determined after all other State and Federal grants and scholarships are applied to these charges, not to exceed $1,250 per semester.
- May receive payment for up to four consecutive semesters, excluding summer sessions.

How Do I Apply?

- Apply for admission to one of the colleges or universities listed on the back of this brochure.
- Once admitted, inform the Admissions Office that you are a current NJ STARS scholar.
- Provide an official New Jersey county college transcript that reflects receipt of an associate degree and cumulative GPA of 3.25 or higher.
- File a FAFSA annually by the State deadline listed on the application.
- Meet all eligibility requirements.

Notification of your NJ STARS II eligibility will be provided by your New Jersey four-year public or private college or university.

PLEASE NOTE: NJ STARS eligibility does not guarantee admission to a NJ four-year public or private college or university.
