Dear Parents,

The district is excited to announce the launch of a new service that will enhance communication from us to you! This service will still allow us to deliver important information to you via SMS text messaging, phone calls and email. The service is provided by SchoolMessenger. Information can be found at http://www.schoolmessenger.com/.

The district will be officially launching the new service over the next couple of months and will make a complete switch from our current provider to our new provider over the summer months. We will continue to use our old service until we are comfortable with the transition.

In order to receive text messages with this new service you must indicate your willingness to receive text messages to your phone. The process is simple and only takes a few seconds to complete.

- Simply text any one of the following words to the number 68453: subscribe, optin, yes
- You'll know you were successful if you receive the following reply message:
  - You are registered to receive aprox 3 msgs/mo. Txt STOP to quit, HELP for help.
- You'll want to repeat the opt-in process for any wireless numbers that you wish to include.
- This will only work for numbers that you have already listed as contact numbers to your child's school.
- Please check with your wireless carrier for possible charges.

If you have any questions regarding the switch to this new service, please email ccostanza@veronaschools.org.

We will be sending out more information as we get closer to the launch of the new service.

Thank you!
