Earth Day

A BIG **Thank You** to Gloria Machnowski and the Verona Environmental Commission for hosting four Recycling Workshops on April 10 and 11 for students grades 1 through 4. The children participated in hands-on demonstrations by flattening corrugated cardboard boxes for drop-off at the Verona Recycling Center. They sorted through items for recycling collection learning the difference between aluminum and tin cans, corrugated cardboard and paper board, etc. They also learned about household hazardous waste and items made with 100% recycled content.
