Hearts of Hope

creating hope....one heart at a time

Where: VHS cafeteria
When: April 14th (after school-6pm)

Why: Hearts of Hope is a nonprofit charity that **delivers hand-painted ceramic hearts to patients undergoing cancer treatment, survivors, or their family members.** They are painted by individuals who wish to make a difference in another's battle against cancer. These ceramics are delivered with a message of hope and immediately evoke tears and gratitude in the recipient.

FREE to paint a heart ($4 suggested donation)

VHS Juniors receive community service hours for participating
