TREASURER OF SCHOOL MONIES

June 4, 2013

In accordance with IPM regulations this letter serves as notification that a pesticide application will take place on the grounds of FN Brown Elementary School, located at 125 Grove Avenue. The purpose of the application is to remove poison ivy along the fence lines of the property adjacent to the ball fields and playground.

The application will take place on Friday, June 7, 2013 between 4pm and 7pm. Re-entry to the treated areas will be allowed at 7am on Saturday, June 8, 2013. The rain date for the application will be June 8, 2013 between 4pm and 7pm with a re-entry time of 7am on Sunday, June 9, 2013.

Any questions regarding this notification should be directed to Paul McDevitt, Director of Facilities. Mr. McDevitt's email address is pmcdevitt@veronaschools.org , his contact number is listed on the district website http://www.veronaschools.org.
