Students, Parents and Staff:

In light of the string of emergency closing days and the threat of more to come we have decided to modify the 2013-14 school calendar.

- The current calendar calls for February 14 and 17 to be vacation days for students and staff and February 18 to be a staff development day.
- The changes will be:
  - Friday February 14, 2014 will now be a 4 hour session for students and professional development in the afternoon for staff. Students will follow the regular four hour session schedule.
  - Monday February 17, 2014 will remain a vacation day for students and staff.
  - Tuesday February 18, 2014 will now be a 4 hour session for students and professional development in the afternoon for staff. Students will follow the regular four hour session schedule.

We have already used the five emergency closing days for the year. Any days over the six total days will be taken from spring break starting with April 17, 2014.

For more information on school day schedules please see-

The YMCA aftercare program will run both days from dismissal to regular pickup time.
