Attention all HBW 8th Graders

The yearbook needs pictures for the 8th grade collage page. This is a brand new page. If you have any pictures of you and your HBW friends **from this year only**, send them in and they may be included in the yearbook! The deadline is February 14th. You can email them to Ms. Heckel at aheckel@veronaschools.org. If you would like your picture(s) to be used, they must be good quality. Blurry or out-of-focus pictures (like you sometimes get with phones) will not be used.
