A Step Ahead

Introduction:
To all interested students and parents:

Hello, my name is Krojana Selimi and I am a junior at Verona High School. I am currently working on my Girl Scout Gold Award project, which is named "A Step Ahead". It is a workshop featuring five experts in their field, discussing situations that young people will approach as they become older. There will be two sessions available for you to attend, and if you wanted to get information on more than just two sessions, there will be pamphlets given out at the end of the workshop. Thank you very much and I hope to see you there.

Point: To help high school students, college students and their parents prepare for situations that they will encounter as they start their lives. There are five different workshops to choose from and by attending these workshops, they will be better prepared for the real-life situation.

Date: Thursday, May 1st 7-9 pm

Location: Verona High School, 151 Fairview Avenue Verona, NJ

Workshops: Each participant can choose two of the 55 minute sessions seen below.
