SPRING 2017

PLANT IT FORWARD

WHAT WE DO

The Montclair Community Farms serve as hands-on resources that engage the community in urban farming, sustainable agriculture, affordable food access, and healthy food and lifestyle choices. Our goal is to provide local seniors with access to fresh produce by sending our mobile farm stand to their buildings. In order to do this, we need your help to make sure our farms are growing!

WHAT TO BRING

Please come prepared to work outdoors by wearing clothing that can get dirty, dressing in layers, wearing close toed shoes, and bringing water to drink. All ages welcome!
