

Congratulations You've Been Flamingo-ed!

During the week of April 18 – 22, the Spotlight Players Parents Association will be holding a Flamingo Flocking Fundraiser!

The members of the Verona High School Spotlight Players Drama program will be sprinkling the town of Verona with bright pink flamingo lawn ornaments with good hearted messages for the recipients.

Show your fellow Veronians how much you love them! Send a trio of flamingos for \$10 or a flock (a dozen feathered friends) for \$15 to their front yard. The birds will roost on the victim's lawn for 24 hours then they will migrate to their next destination.

If you are worried about what these birds will do to your lawn, you can purchase Anti-Flocking Insurance for \$45. This policy will protect you from any deliveries for the entire week.

Join in the fun! To flock a friend or buy protective insurance, contact Melody Williams of the Spotlight Players Parents Association by email at sppalent@gmail.com or by phone 973.857.2561. Delivery orders cannot be placed after Thursday, April 21.

Please remember, this is all in good fun and for a good cause. All proceeds will go to help subsidize the Drama program at Verona High School.
