

# HILLTOP CLEANUP

**SATURDAY, NOVEMBER 19TH**

**9AM-1PM**

Join the Sustainable Verona team to help clean up an area in the Hilltop Reservation

**\*Please wear long pants, long sleeves, work boots & bring your own water. Other supplies like gloves & bags will be supplied for you.**

We are teaming up with the Hilltop Conservancy to help clean up a new habitat restoration site. This is a family friendly event and we encourage children to come with parents/guardians to help out!

**We will meet at 8:45am in the parking lot located by the water tank up on the right side of White Rock Rd. and walk to the location just behind the apartment complex. All ages welcome.**

**To participate please contact Steven Neale at [stneale@veronanj.org](mailto:stneale@veronanj.org)**
