Dear parent:

Is your son getting the start in life you want him to have? If he is 7 years old now, he will be on his own in another 12 years. If he is already 9, he is halfway to adulthood. Will he have had the character-building experiences he will need, when he is on his own so soon?

- We all hope that our children will be the kind of people we can be proud of, and that their lives will be happy and productive.
- The Scouting program involves young people with the kind of friends you would like them to have, working with adults of good character who will be positive role models to them.
- Scouting teaches respect for other people, respect for oneself, and respect for God and country - all vital to our nation's future.

Is Scouting worth your family's time? Please, accompany your son to the open house listed on the front of this flyer. Trained, professional scout leaders will be on hand to answer all of your questions and your son will have the opportunity to interact with scouts of all ages.

You are also invited to our Pack Meeting, at 7:00 on Thursday, May 14 in the basement of The First Congregation Church, 19 Church St, Verona. Boat kits will be distributed for our upcoming Raingutter Regatta.

I hope you will make the same decision that we made, and enroll your son in America's finest youth program.

Sincerely,

Mark Ali, Cubmaster
Brian Donnelly, Pack Committee Chair
