

The poster features a vibrant, retro-themed background. On the left, there's a 3D isometric grid of purple and green blocks. On the right, a red and black plaid pattern is visible. A large yellow lightning bolt strikes down from the top center. The text '80's vs 90's' is written in a bubbly, white font with black outlines, with 'vs' in green. Below it, 'PARTY' is written in a colorful, multi-hued font (blue, purple, pink, cyan) with a black outline. Several pixelated objects, including a brown sphere, a red flower, a blue cube, and a yellow ring, are scattered throughout the scene.
