VERONA SCHOOL BOARD ANNOUNCES CANDIDACY INFORMATION

The Verona School District has information available for citizens interested in running for the Board of Education.

The Verona Board of Education will have two (2) vacancies in the November 5, 2024, annual School Election. A full term on the school board runs for three years.

A candidate must file a nominating petition with the county clerk for his or her name to appear on the ballot during the November Annual School Election. The deadline to submit the nominating petition is 4:00 p.m. Monday, July 29, 2024. The election is scheduled for Tuesday, November 5, 2024.

Prospective school board candidates can download information from the New Jersey School Boards Association's website at [NJSBA School Board Candidate Kit](#). The Kit includes information about nominating petitions, legal qualifications for school board candidacy, and the role of the school board member. It also provides information about the New Jersey School Ethics Act and important dates in the school election process.

"The work of a school board has become increasingly complex, but rest assured, if elected or appointed to your school board, you won't 'go it alone.' NJSBA is New Jersey's only service organization whose sole mission is to train, assist, and represent the state's local boards of education. With the New Jersey School Boards Association offering support and training, you will find your term of service on your district board extremely rewarding."

– Karen Cortellino, M.D, president, New Jersey School Boards Association
