

V~SEA "Where Learning and Fun Come Together!"

Dear Parents,

Welcome to V~SEA's 14th year! The purpose of the Verona Summer Enrichment Academy (V~SEA) is to expand students' knowledge base, build on their interests and encourage creative thinking.

We invite your children to participate in this unique experience. The students are taught in an environment which features hands-on, materials-based learning. Throughout our years of providing enrichment instruction, subject matter has included explorations of medieval history, Archimedes, dinosaurs, cryptology, forensics, Lego Robotics, crime scene investigation, prime and composite numbers, Aesop's Fables and much more.

The V~SEA experience welcomes children who ask questions and exhibit curiosity about the world and how it works. This form of learning only occurs in an atmosphere where imagination and daring to "think outside the box" is encouraged and valued.

All Pre-K (students entering kindergarten in September 2018) through 4th grade students are invited to participate in the elementary program. The Pre-K, Kindergarten and 1st grade programs will be held at Laning Ave. School. The 2nd through 4th grade programs will be held at F.N. Brown School. **The selection of grade levels at these sites facilitates the easy transfer of those children who will attend V~SEA in the morning and the Verona Recreation Department's programs (Primary Park, Elementary Zone & Summer Adventure) in the afternoon.**

Sincerely,

Mr. Jeffrey Monacelli, Program Director

Mr. Howard Freund, Assistant Program Director
