

**Verona Referendum –  
Capital Projects**  
February 7, 2020

The Verona Board of Education Referendum approved on November 5, 2019 in the amount \$27.7M includes the following projects to be packaged and bid as indicated. All projects shall to be completed during the summer of 2020.

A majority of roofs at all six (6) schools are to be replaced. Fascia upgrades are limited to the pitched roofs at HB Whitehorne MS and FN Brown ES. Both HB Whitehorne and FN Brown involve complete window replacements. Many of the schools are to receive assembly door replacements. The four (4) elementary schools include miscellaneous masonry, sidewalk, & handrail upgrades as well as new playgrounds. The high school and middle schools will be receiving upgrades to their locker rooms and trainer's facility. New paving is to be completed at Laning ES and Verona HS along with an athletic track upgrade at HB Whitehorne MS. Each school is also to receive new Air Conditioning inclusive of unit ventilator replacement in classrooms and new roof top units for the assembly spaces. Lastly, all six (6) schools are to receive new stage upgrades to inclusive of new rigging, stage lighting, and curtains.
