Verona Public Schools Mission Statement:

The mission of the Verona Public Schools, the center of an engaged and supportive community, is to empower students to achieve their potential as active learners and productive citizens through rigorous curricula and meaningful, enriching experiences.

Course Description:

This course is an introduction to the Spanish language and culture, emphasizing cultural knowledge and exploration with basic interpersonal conversational skills that allow students to exchange basic needs and preferences in the target language. The language is presented within the context of the contemporary Spanish-speaking world and its culture. In addition to a textbook, technology will be used to enhance the topics covered. Students will learn to perform basic language functions such as to ask questions and to describe. These functions will be incorporated in a variety of contexts, for example, at home, in school, at work, when traveling, while shopping and playing. Students will be able to perform these tasks with an appropriate level of accuracy using interpersonal, interpretive and presentational modes.
