

Let the Fourth Grade do your School Supply Shopping for you!

We have recruited some school supply experts to make sure you & your student are ready for next year's class needs!

Meet the team:

<i>Izzy D- Kindergarten</i>
<i>Sophia S - 1st grade</i>
<i>Lily R- 2nd grade</i>
<i>Sam H - 3rd grade</i>
<i>Taylor and Sophia C - 4th grade</i>

The future fourth graders have sat with the teachers to approve the supply lists & are ready to do your shopping for you. They will purchase, assemble & mark your child's name on your School Supply Bundle. Everything will be in the classroom on the first day of school. Unlike Staples, they will even consider color requests. Taking all the stress off of you!

All Students can add a \$12 **Customized Stainless Steel Brookdale Water bottle** that will be marked with the Students name in a sharpie (with an overcoat.)

In K to 2 you can include \$8.50 for a cotton polyester smock we will personalize for you.
