

# LANING AVENUE SCHOOL SCRIP PROGRAM

## What is SCRIP?

Scrip fundraising is a program that enables families to raise money for the Laning Avenue School SCA by purchasing gift cards for grocery stores at face value. The gift cards work like cash at the designated grocery store and can be used to buy items in the store; such as groceries, household items, and even gift cards.

## Why use SCRIP?

For every gift card purchased through SCRIP, the Laning SCA makes 5% of the total amount. For example, with the purchase of a \$100 gift card, Laning SCA profits \$5. Using the SCRIP program, Laning families, extended family and friends earn money for the school without having to sell or fundraise. Last year, SCRIP earned \$3,700! Let's try to beat those earnings. Participation is optional.
