

PHILADELPHIA
OUTWARD BOUND SCHOOL

2016 NJ YOUTH LEADERSHIP CORPS

Adventure Awaits...

Take the ultimate challenge, as you and a select crew of students from communities across New Jersey embark on a 14-day Outward Bound expedition featuring backpacking, rock climbing and canoeing in and around the Delaware Water Gap National Recreation Area. This course is designed for rising sophomores that are looking to develop as leaders: young people who are eager to face new challenges and are open to discovering the lifelong benefits and perspectives that wilderness travel with Outward Bound offers.

2016 SUMMER EXPEDITION
July 10th – July 23rd, 2016

Selection as a member of the 2015 crew of the NJ Youth Leadership Corps is both an honor and a privilege. Two crews of up to 12 participants each will embark on 14-day leadership skill-focused Outward Bound expeditions in some of the East Coast's most pristine wilderness areas. The Delaware Water Gap National Recreation Area encompasses 67,000 acres of mountain ridge, forest and floodplain on both sides of the Delaware River in the states of New Jersey and Pennsylvania. From the southern end of the park, you can view the S-shaped chasm of the Delaware Water Gap, where the river cuts a twisting path through 1,400-foot Kittatinny Ridge. Within the river watershed, you'll discover steep wooded-and-rock slopes, dark hallows, tinsel-like ravines and tumbling waterfalls.
