Please join us at the **2016 Senior Sports Awards Banquet**. This annual event honors **all** of our **se**nior athletes for their athletic accomplishments during their tenure at VHS. Students, coaches and parents will share an opportunity to recap the highlights of the VHS Athletic Accomplishments of 2015-2016.

The evening will feature dinner, presentation of awards to the Senior Athletes as well as a video presentation featuring our fall, winter and spring teams that will highlight their camaraderie, hard work, and success.

Invitation with reservation/payment information will be released in early May.

Looking forward to a great evening celebrating YOU and YOUR TEAMS.
