

Visit Your Local Businesses on these Days to Support Team Mighty Micco!

a portion of your services or purchase will be donated to help Team Mighty Micco reach their Fundraising goals!

In honor of National Rare Disease Day, Team Mighty Micco has accepted the Challenge to raise much needed funds for our favorite charity, Alagille Syndrome Alliance - The RARE Carousel of Possible Dreams to fulfill their possible dream. By shopping these 4 small local businesses that have honorably partnered with us on the specific dates provided, a portion of your sale will be donated to help reach Micco's fundraising goal. Your donation is important and will be going directly to fund the life saving research of Dr. Duc Dong who is working on a cure for all Alagille Warriors like Micco!
