OPEN HOUSE & KICK-OFF MEETING

Wednesday, September 13, 2017 - 7:00pm

Verona HS Learning Commons

Cub Scouting focuses on helping boys develop respect for themselves, others, and the world around them. Through activities we promote civic-mindedness and good sportsmanship while fostering a sense of personal achievement and growth. There's also a bunch of great activities:

- **Build and race a Pinewood Derby Car and Raingutter Regatta Boat**
- **Get outside to hike and go on overnight camping trips**
- **Learn life long values and build self-confidence**
- **Take field trips to visit local Police and Fire stations**
- **And so much more!**

All boys in grades 1-4 that are interested are encouraged to join returning scouts at our Open House & Kick-Off Meeting to learn more.

If you can't make it to the meeting and want more information, please contact Rob Laterza at 917.771.0544 or laterza3@gmail.com.
