

# Dr. Stem Presents:

## Engineering & Design for Kids

### Wednesday, November 15

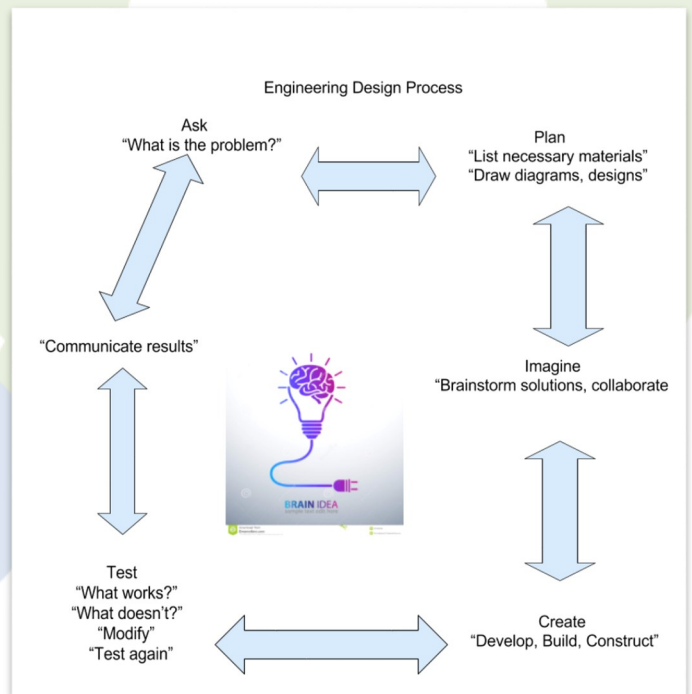

### 3:30 pm— 4:30 pm

### Grades 3 and up

Former Verona elementary STEM teacher, Larry “Doc” Siegel, introduces the Engineering Design Process to young students who will build towers, bridges, egg catchers, gear trains and more. They will collaborate, brainstorm solutions, design, construct, test and present 3D solutions. No child is too young to think like an engineer. After all, it’s about tinkering!

### Featuring:

- Cardboard “contraptions,”
- “Bombastic” bridges,
- “Go” gears,
- “Crazy” columns,
- “Tantalizing” towers,
- Humpty dumpty “egg catchers”

## VERONA PUBLIC LIBRARY

Temporary Location: Verona Community Center Annex, 880 Bloomfield Ave., Verona, NJ 07044
