

The DREAM TEAM will be hosting their annual Nephcure Fundraising Campaign

~~March 5th - 9th~~

Extended to March 16th

Ms. Asmar HBW's School Psychologist's 8 year old daughter Savannah has been struggling with Kidney Disease since she was diagnosed at the age of 2 with **Nephrotic Syndrome.**

Purchase a Nephcure Kidney for \$1 during the lunch periods and have your name displayed on the cafeteria wall.

Monies raised will advance research so children like **Savannah** will someday lead normal healthy lives.
