

The Rutgers School of Engineering will be holding open houses in the upcoming months for prospective students and their families. Tours of the engineering departments and facilities will be held at 1:30 on February 6, 13, 20 and 27 & March 6, 13, & 27 and will last about three hours. Reservations are not required and attendees should park in lots 59 and 60B and meet in Room B100 at the Engineering Building in Piscataway. For any questions, please contact Engineering Academic Services at 848-445-2212
