

"I'm mad as hell and I'm not going to take this any more!"

Let's face it: the education industry has gotten a little out-of-hand. At Catalyst, we believe SAT and ACT prep are at the very top of all this lunacy. That's why we created our Bootcamp: a comprehensive, affordable, and -- dare we say -- fun way to learn how to ace the SAT or ACT.

Catalyst's two-day **New SAT** and **ACT bootcamps** arm students with go-to strategies for every question they'll face on the day of the test so they can march into the test with confidence, momentum, and every key strategy fresh in their mind.
