

## Take A Trip Through The Capitals of Scandinavia!!!

Dear Parents/Guardians,

I am excited to offer your child a phenomenal international travel opportunity in June of 2019!! This amazing opportunity will explore the beautiful capitals of **Scandinavia**.

As our world becomes increasingly interconnected, it is critical for young adults to become more culturally aware, explore new ideas and grow their potential. I believe that when they experience historical and cultural marvels outside of a classroom, as well as interact with different cultures, they develop new and valuable perspectives of the world. (Experiences such as these are also extremely valued by colleges.)

Travelling is my passion and my goal is to extend the life-changing benefits of international travel to students in our community. The last two summers I led extremely successful trips to Europe and this summer I am leading another awesome trip to New Zealand and Australia!!! Next summer's trip, **open to students currently in grades 8-11**, is a continuation of steps towards my goal.

If you and your child are interested in attending an informational meeting for next summer's trip to Scandinavia, you are welcome to join me on **Wednesday, February 21<sup>st</sup>** at the **Cedar Grove Elks Lodge (405 Bowden Rd.)** at 7pm. This meeting will provide more details about this phenomenal opportunity for your child and answer questions you may have, with enrollment beginning at the end of the meeting.

To ensure I can accommodate everyone in our meeting space, and for details about parking, please **RSVP** by email to me at [ms.kunkel@yahoo.com](mailto:ms.kunkel@yahoo.com) by Sunday, February 18<sup>th</sup>. In the subject line put **Scandinavia**. In the email itself, please indicate how many people will be in attendance. There is a maximum number of 60 spots available for interested participants to attend the meeting. If more than the allotted number of interested participants exceeds this number, an adjustment to the schedule may need to be made, or a wait list may be started.

This trip is hosted by EF Tours and is not affiliated with the Verona Public Schools. Please communicate with me through my personal email address in regards to this trip: [ms.kunkel@yahoo.com](mailto:ms.kunkel@yahoo.com).

I hope that you and your child will be able to join me at the upcoming meeting to learn more about this incredible opportunity!!

Warm regards,

Ms. Kunkel (a.k.a.—Your extremely enthusiastic group leader!!!)
