

In recognition of Autism Awareness Month,  
Van Vleck House & Gardens invites you to

# A Sensory Celebration

Sunday, April 8, 2018

1:00 PM - 4:00 PM

In recognition of Autism Awareness Month, Van Vleck invites you to explore the gardens using your senses as your guide. What colors and shapes do you see? What sounds do you hear around you? What smells are in the air? Activity stations will be arranged outdoors and in our education center focusing on different textures, smells, shapes and colors in the natural world. Join us for a stress free afternoon of garden discovery.

Open to families.

Check our website for rain date information

Suggested donation of \$10 per family
