### **Thanking Business Supporters**

November 2015

This week, Verona families will celebrate Thanksgiving. In the spirit of the season, Verona's Public Schools would like to thank the many businesses that donate services and support to school activities. "We are fortunate in Verona to have so many businesses that give so freely to our schools," says Superintendent Rui Dionisio. "They support our SCA fundraisers and improve our facilities. Their efforts are often unheralded, but they are always appreciated by students, staff and school families." Verona's Public Schools would like to recognize the following businesses, named by the SCAs, for their efforts at our six schools. We urge the community to thank them and support them as they support our students:
