Support the VHS Scholarship Fund  
and have a chance at winning half of the growing jackpot

Every year, the SCA's from each elementary school, HBW, and the Conference of SCA's award two scholarships to VHS seniors that are alumni from each school to assist them in continuing their education. The VHS SCA Scholarship Fund's goal is to raise additional money each year in order to either award more students or increase the award amount per VHS student. Last year the VHS SCA awarded 14 seniors with a scholarship. Awards are open to ALL seniors and are distributed to seniors based on academic success and/or participation in school and community activities.

**Winner will be drawn on St. Patrick's Day! Luck of the Irish!**
