

Verona Eagles/NY Jets/Chase

Do you have a young child that wants to play football?

Hello Verona Moms,

It is time to start thinking about football!

In conjunction with the New York Jets, USA Football and Chase are hosting a MOM's Clinic for the residents of Verona!

All Mothers are welcome to attend whether your son is a current member of our Verona Eagles program or if you are thinking of having him join our youth football program.

The clinic is designed to inform you of the USA Football guidelines that our program and coaching staff are trained on and adhere to providing the safest possible environment for your son(s) to experience this great sport of football. If you are already a member or concerned about your child playing football, we urge you to attend this informative and fun clinic!

Date: Saturday, April 11, from 9:30 AM to 12:00 PM.

Location: The NY Jets facility in Florham Park.

There is limited seating for this clinic so please act quickly to reserve your spot!

Please register at this link with the NY Jets for the clinic:
