School Age Child Care
YMCA OF MONTCLAIR

FOR ALL SCHOOL DISTRICTS

General Information

The YMCA of Montclair School Age Child Care Program is designed to provide care for children while parents are working. This program focuses on building self confidence and character. **We emphasize the Y's four core values in character development — caring, honesty, respect, and responsibility - in every activity and interaction.**

Our goals are:

- To provide a warm, caring, and safe environment under the guidance of an experienced staff.
- To provide each child the opportunity to develop their self confidence and social skills.
- To provide developmentally appropriate activities that stimulate creativity and encourage learning through fun and discovery.

Membership

The School Age Care Program requires participants to have a current Y membership. The membership entitles a child, for additional fees, to participate in various programs. With a youth membership, a child may participate in open youth gym and swim times at no additional cost.

Membership Prices*:

Age	Fee
5 years & under	\$99/year
6-12 years	\$114/year
13-17 years	\$219/year

*Membership prices are subject to change as of January 1, 2017

The core components include:

- Arts and Humanities
- Character Development
- Health, Wellness and Fitness
- Homework
- Literacy
- Service Learning
- Social Competence and Conflict Resolution
- STEM

Parent Handbook

A parent handbook with the program policies and payment schedules can be downloaded from our website (www.montclairymca.org). Enrollment and medical forms will be distributed at the time of registration or can be downloaded from our website. These forms must be completed and returned to the YMCA of Montclair, 25 Park Street, before a child can start the program.

Payment Policy

The School Age Child Care tuition fees are based on the number of school days, broken down to ten equal monthly installments for your convenience. The fee is not based on the number of calendar days per month, and no prorating of fees is allowed. The only exception is if you enroll after the 15th of the month.

It is our policy that monthly tuition is paid in full. We do not prorate for absences or by the hour. If needed, children can be withdrawn for one or more months at a time. If a child is withdrawn, and that program has a waiting list, the child WILL lose his/her spot. We do not hold spaces under any circumstances.

Annual Campaign

One in six students in the YMCA of Montclair School Age Child Care Program receives financial assistance from us (\$17,800 per month). Your donation of any amount will have a direct and significant impact on a child in need. 100% of every donation received goes straight to the program, allowing the Y to serve as many families as possible.

YMCA OF MONTCLAIR SCHOOL AGE CHILD CARE PROGRAM E-PAY INFORMATION

We are happy to offer the option of paying tuition for the School Age Child Care Program through a monthly E-Pay plan. By utilizing this system, payments will be automatically deducted from your checking account or credit card on a monthly basis.

HOW DOES THE SYSTEM WORK?

1. You must leave a down payment equal to one month's tuition by the 1st of the month, and authorize the YMCA to charge your account directly for monthly payments.
2. On the 10th of the month, the YMCA will charge your account for the **current** month's tuition.
3. Your account will be charged each month until June 10th.

WHAT WILL WE NEED FROM YOU?

To draft from a Checking Account:

1. "Pre-Authorized Monthly E-Pay Agreement Form" (School Age Child Care Program)
2. A blank, voided check from your account.
3. An initial down payment equal to one month's tuition.

To draft from a Credit Card:

1. "Pre-Authorized Monthly E-Pay Agreement Form" (School Age Child Care Program)
2. Credit Card number and expiration date from Visa, Master Card, Discover or American Express.
3. An initial down payment equal to one month's tuition.

GENERAL INFORMATION:

1. If a payment is not honored from either your bank or credit card for any reason, the Montclair YMCA imposes a \$20.00 Service Charge, in addition to any fees that your bank may charge. The E-Pay will be stopped for future payments and any outstanding child care balances must be cleared up before we can set up the account for automatic payments again.
2. If fees are continually unavailable from your account and payment falls behind, participants will not be allowed to continue in the program.
3. If we do not receive schedule changes by the 20th of the month, you will incur your originally scheduled tuition charge for the following month.
4. If your child withdraws from the program at any time during the school year, we must be notified by the 20th of the month or next month's tuition will be charged. Payments must be up-to-date at the time of withdrawal.

In order to take full advantage of this payment plan, we must receive your child's registration form, one month's payment (for September) and authorization by September 1st. We will begin charging your account on October 10th for October's Tuition.

You may take advantage of this payment plan at any time during the year provided we have the one month's tuition up front and your E-Pay information by the 1st of the month. Automatic deductions will then begin on the 10th of the following month.

If you are interested in this service, please fill out the form on the following page. If you have any questions, please call Shirley Farquharson at (973) 415-6106.
