IGNITE YOUR TALENT

SUMMER SPARKS YMCA OF MONTCLAIR

Summer Sparks enrichment programs are hands on and interactive. Program examples are science, writing, social skills, building, drama, music, travel and so much more. All classes are taught by professional educators or subject matter experts. It's your child's choice of morning or afternoon sessions or sign up for a full day (2 sessions). Enrichment activities expand the minds of campers and keep them educationally engaged in a fun way during the summer months. All activities take place on-site.
