A.C.E. – ACADEMIC CAMP EXPERIENCE YMCA OF MONTCLAIR

Research shows that the key to stemming summer reading loss is finding novel ways to get books into the hands of children during the summer break. A.C.E., a summer education alignment program, helps keep kids on track with reading, writing and math skills and includes DEAR (Drop Everything And Read). Hands on science, art, music and physical activity are all part of the daily program. Led by elementary education certified teachers, students bring lunch, a drink and snack and we provide the rest.
