Community

At the Y, we believe communities are at their strongest when everyone feels valued, has support to reach their potential and can fully participate in society. For over 170 years, the Y has helped immigrants integrate into their new neighborhoods and prepared receiving communities to be welcoming and inclusive.

In this spirit, we invite you to share a special meal with the [Syria Supper Club](#), an organization dedicated to supporting families of Syrian refugees recently settled in New Jersey. The meal will be prepared by one or more of our new Syrian neighbors who will share their traditional cooking skills in a table full of traditional Syrian food. Help welcome our new neighbors. Enjoy the food, conversation and making friends. 100% of the proceeds benefit our Syrian neighbors.
