SENIOR CAPSTONE PROGRAM

"THE ONLY PERSON YOU ARE DESTINED TO BECOME IS THE PERSON YOU DECIDE TO BE" – RALPH WALDO EMERSON

Have you always dreamed about being a police officer? Do you know that you'll make a great veterinarian one day and can't wait to get started working with those animals? Are you the kind of student who likes to be hands-on and can't wait to be on your way to becoming a computer programmer? If you answered YES to any of these questions, then Verona High School's Senior Capstone Program is meant for you! The Senior Capstone Program allows for seniors in good standing to complete their senior year by exploring areas of interest at a career-focused placement or through a community-service experience. These internships or experiences will provide seniors with a unique learning experience to assist them as they transition from high school to college, employment or other ventures. Seniors will work in conjunction with VHS to establish and make arrangements for unpaid placements through the Verona School District Community Data Base. VHS will work with the placement providers (Experience Mentors) to ensure that the experience provides structure and supervision. During the experience, students will meet with the appropriate VHS staff on a weekly basis to discuss their activities, attend seminars from guest lecturers and participate in meetings between themselves, VHS staff and their Experience Mentor. At the completion of the program, students will showcase their experiences for VHS staff during a formal presentation. This program will earn you one credit and will be placed on a final transcript.

WANT TO LEARN MORE???

Student Information Session: Wednesday, November 12th at 10:51am in VHS Auditorium

Evening Information Session for Parents & Students: Wednesday, November 19th at 7pm in VHS Library
