Verona, NJ 07044

Dear Marla and the Paws and Claws Club,

Many thanks for all of your wonderful donations to PAWS for our cats and dogs. We appreciate your support!

PAWS continues to be a highly responsive, flexible group of dedicated volunteers, helping animals and serving the community as we have for over 37 years. We are in daily contact with those who need our help concerning strays, abandoned and surrendered animals. We also focus on the truly at-risk animals who often get overlooked elsewhere, perhaps because of age, looks, health, breed, or size. We make sure that each animal is in good health and receives proper vetting, nutrition, comfortable shelter and loving care as we work to find the right forever home. We absolutely depend on donations from our supporters, and we gratefully accept your much-needed contributions with thanks and appreciation.

Kind regards,

Carole Michales
President, PAWS Board of Directors
