Blessings and Gifts

“Presents are made for the pleasure of who gives them, not the merits of who receives them.” Carlos Ruiz Zafon

We wish you a merry holiday season and hope you enjoy a peaceful time with your family and friends. The work our teachers, faculty and staff do each and every day is incredibly complex, but the most meaningful path one can commit his or her life to. Our gratitude to our staff for being a champion for children and always putting them first in their lives. The work that they do every day, on behalf of our children, is no easy feat. Their dedication and commitment to our students, our schools, and their craft is praised. Special appreciation to our community, especially our parents and families, for giving us the gifts of your children and entrusting our staff to help guide them. Wishing you good cheer and a happy new year. I hope that 2018 brings nothing but the best for our Verona families. Best wishes for a well deserved holiday break.
